

Dear Friends:

Welcome to our first newsletter!

All the snow and bitter cold may have made you want to curl up in bed with your furry friend! With great specials at Flying Fur we make that prospect more pleasant! Our brand new Framingham location makes it even more convenient for you, or you could just stay home and have one of our mobile units come to you.

At our Medway and Framingham locations, we are offering a senior discount on Mondays and Tuesdays. Check out our special for short-haired breeds: book your short-haired dog every four weeks on a Monday, Tuesday or Wednesday and save big! Pay only \$29! Consider booking with a neighbor for mobile grooming for added value!

Our new Framingham location is in the Pine Field Plaza, next to the post office. Come and see our new facility; with a complete renovation you may not recognize the place! We will be offering the same "time-block" appointment program as our Medway location. Appointments usually take about an hour and a half to two hours.

One thing that we can say with certainty about our clients is that they absolutely love their pets. Taking good care of them is always a priority. With the recent difficulties in our economy, many people are looking for a good value in pet care. For many pet owners, doggie daycare is necessary with long work hours. Our daycare is a great option for people who want to leave their dog in a safe, friendly environment, because we offer daycare for about 30% less than other programs!

We look forward to seeing you soon! Please check our new web site for specials!!!
